Pull Up Pant - MAXI
3300ml absorbency
Medium: 90-130cm
Large/XL: 110 – 170cm

Comfortable & Discreet

Made from soft breathable material **Nateen's** Pull Up Pants are extremely comfortable to wear, “rustle free” and discreet. The deep elasticated waist band and leg cuffs ensure the pants fit like your usual underwear.

Superior Absorbency

The Pants have a fast acting super absorbent liquid lock away capacity of up to **2300ml** (PLUS) and **3300ml** (MAXI). The body contouring anti-leak guards ensure your skin is protected and you stay dry, clean, and comfortable. They feature built in odour protection and a 3 line wetness indicator which tells you when a change is required.

Easy to Use

Nateen's Pull up Pants are worn just like regular underwear. You simply step into them and pull them up. They can be easily changed and disposed of by the user or carer. Simply step out of them or tear the side seams and dispose. The Pull Up Pant is popular for users with dementia or cognitive problems as the Pants look and feel similar to real underwear which minimizes confusion.
